The Amherst A Better Chance program reflects the soul of the Amherst community through its sustained commitment to nurture and encourage young men of color to realize their full potential as learners and leaders. For the past 50 years, the core of this Amherst experience is the demonstration of shared purpose, mutual respect, fundamental decency and integrity. During this celebratory year, Amherst A Better Chance looks to the future, confident that as we continue to provide these young men with a better chance, we are building a better future for us all.

Amherst A Better Chance

Amherst A Better Chance is fully run and funded by donations of both time and money. Our 50th anniversary gala not only celebrates our ABC community, it provides us an opportunity to ensure support for future scholars. If you are unable to attend but would like to join the 50th anniversary celebration as a donor or sponsor, you may do so at amherstabetterchance.org/50th/gala-sponsorship.
